WATER ANNOUNCEMENT:

The Town water supply does not contain lead. After selected testing, few houses tested positive for lead most likely from their service lines connecting to the Town's main line, and inside the houses. The Town is required to let everyone know what to do if your house tests positive for lead. If you did not receive a separate letter with test results for your house, then you are not affected and do not have any lead.

BE BEAR AWARE!

Please do not leave food out for any wildlife, this will attract bears to our houses. It is dangerous if a bear gets accustomed to being close to people, not only for the people, but also for the bear.
Protect Our Wildlife—Keep Empire Clean. Please don't put trash out until your trash day, and if you see trash on the ground, please put it in one of our public trash cans.
